Be a Friend of Community Action

By supporting Community Action you are helping us to provide valuable services for local people, the elderly and disabled, in Malvern and the surrounding areas, who desperately need our help.

Currently we face difficulties in meeting all the demands of our services due to insufficient funding. Support from the Friends of Community Action will enable us to reach out and help more people and to plan for the future more effectively.

Community Action was set up in 1972 to provide services for the elderly and disadvantaged people. We provide essential, valuable and personal transport services for medical appointments and shopping expeditions through the Car service and the Shoparound scheme. We also provide information, advice and support for voluntary and community groups through the Volunteer Centre and the Resource Room.
