Leaving a Legacy

**Information about

your Will**

OUR HISTORY

Established in 1972, Community Action Malvern and District has proudly supported the local community for over 50 years.

Today, Community Action Malvern and District have over 10 staff and more than 100 volunteers. Our biggest aim is to reduce social isolation for older and disabled people in Malvern.

We are a registered charity and have an Executive Committee, made up of volunteers, business people and representatives of voluntary groups, which meets to determine policy.

THANK YOU

Leaving a gift in your Will is a simple and extremely generous way to make a real difference. It helps to ensure that Community Action can continue to support people in the local community, particularly those who are isolated and experience loneliness.

No matter the size of your gift, it secures our future and is one of the kindest ways you can help make a lasting difference. If you need help or advice writing your Will, we recommend you speak to your local solicitor.
