Car Service

The Car Service operates to allow the elderly and disabled to get to and from medical appointments and also on social trips to help with things like shopping. The drivers that make this possible are all volunteers and provide a caring and companionable service. Our volunteers pick up our clients from their door and make sure they get into their appointment by accompanying them to it. They wait for them and then take them home, making sure they are safely through the door.

Minibus

Community Action has three minibuses. They are available to hire by prior booking. They are primarily used by other charities, care homes and local churches. We also run a service called the Half Key Run every Wednesday to Great Malvern and Friday to Morrisons and The South Malvern Swingabout Bus on a Wednesday to Tewksbury. For information on hiring the minibus or the bus routes, please give us a ring.

ShopAround

Our Shoparound Service runs weekly trips to places such as Tewksbury, Pershore, Worcester, Upton and others. It allows those who are unable to get out very often the chance to socialise, do some shopping and get some fresh air. Shoparound also runs Sunday trips once a month visiting various places such as garden and craft centres. We offer an escort if clients feel they need help.

Wheelchair Vehicles

We have 3 wheelchair access vehicles that are not only used to take passengers to medical appointments and social trips but can also be hired out for use either with your own driver, or we can find a driver for you.

Since 1972

Community Action holds a tea club, specifically for older people who may find themselves alone and lonely on Sundays. The Tea Club takes place from 3pm - 4.30pm

Sunday Tea Club

Cinema Club

Held once a month in partnership with The Cube, please call us for details.

We make our office resources available to other local charities and organisations.

Resource Centre

Coffee Shop

Organised by Friends of Community Action

Prospect View Medical Centre, 300 Pickersleigh Road, Malvern every Thursday and Friday morning.

Staffed by volunteers the coffee shop offers, tea, coffee and some very delicious cakes!

We are always in need of a wide range of skills from receptionists, to trustees, to drivers. If you would like to volunteer please get in touch.

Volunteers

Help keep our service strong and active in your community.

Leave a Legacy

Please see our website for more details

Leave a Legacy

- Prepare a will (with guidance from a legal advisor)
- Leave a gift in your will to Community Action
- Remember loved ones with memorial gifts
- A solicitor or will writers will be able to advise you on everything you need to consider when choosing to leave a gift to Community Action Malvern
- Ensure your intentions to continue our work in your community are made clear

Since 1972

Thank You
